

THE WESTERN NEW YORK FAMILY SUPPORT DIRECTORY

“The Coalition”

Parent AND Professional Partnership: A Work in Progress

The Western New York Region Family Support Coalition was formed in 1995 by parents and mental health professionals dedicated to increasing support, and services for families who have children with social, emotional, behavioral, or mental health disabilities. This group decided to incorporate and, in 2001 achieved its 501 (c) 3 status as the Children’s Mental health Coalition of western New York, Inc. “The Coalition” is comprised of representatives from Family Support Programs, Compeer Programs, CCSI Programs, HCBS Programs, School Support and PBIS Project Sites, CR, RTF, and FBT Programs, SPOA Coordinators, and Common Sense Parenting Instructors, as well as the 19 County Mental Health Directors.

“The Coalition”, meets on the fourth Tuesday of every month, in various locations within our 19 county region, for state and regional information sharing; networking and support. “The Coalition” also provides training and education for parents and youth. Parent Advocates and interested community partners; sponsoring conferences, encouraging parent/professional partnerships, supporting collaborations, and works closely with New York State Office of Mental Health, and Families Together in NYS, Inc, as well as other service providing agencies in Western New York.

Finger Lakes Parent Network (FLPN)

25 West Steuben Street
Bath, NY 14810

Finger Lakes Parent Network, Inc. is a parent-governed, not for profit organization, focused on the needs of children with emotional, behavioral, mental and/or developmental disabilities and their families. Our mission is to support and empower families so they can improve the quality of their lives and help their children to achieve their full potential within the community. All services are offered at no cost to the families.

We offer self-help support groups with trained peer facilitators, educational presenters and free on-site childcare. We sponsor caregiver attendance at a variety of regional conferences and workshops. Trained peer advocates provide educational and multi-systemic advocacy, information, referral and peer support. A retreat takes place annually and is open to all caregivers.

Hourly planned in-home/community respite care is provided by trained staff with background clearances.

Teen-driven support groups participate in education, recreation and community service activities.

Contract services with the Office of Mental Health Waiver for respite/skill building and family support are available.

Chautauqua Tapestry represents the weaving together of effective, appropriate and individualized supports and services that are accessible and comprehensive to meet the needs of youth with emotional and behavioral challenges and their families. Chautauqua Tapestry will focus on youth up to age 21 by providing the opportunity for youth to sit on a leadership council. This is used to help the system plan, make decisions, plan trainings for youth, as well as event planning. There are 2 leadership councils that are still forming, these include one for youth ages 8-14 and another for youth ages 15-21.

MONROE

Better Days Ahead Family Support Network (BDA)

Mental Health Association
320 Goodman Street North
Rochester, NY 14607

Better Days Ahead is a Parent Run Family Support Network that holds meetings in various locations in Monroe County. Respite and transportation is available for most meetings. BDA also offers advocacy and educational opportunities as well as a Spanish speaking support group. Our Family Development Team offers many parenting programs such as Systemic Training for Effective Parenting (STEP), Raising SAFE Kids and a variety of parent discussion groups on parenting topics of all kinds.

As the family run service of the MHA, which is connected to the System of Care for Monroe County, BDA hosts 3 round tables for families to allow input into what is working and what isn't working for our families and children. These are located in downtown Rochester and in Greece currently as well as a Spanish speaking round table at Ibero American Action league. For times, locations and to attend a round table please contact Karen Draper (see # below).

BDA also has a youth development group called Peers Encouraging a Caring Environment (PEACE). To participate or for more information contact Karen Draper (see # below).

ONTARIO

Finger Lakes Parent Network (FLPN)

25 West Steuben Street
Bath, NY 14810

Finger Lakes Parent Network, Inc. is a parent-governed, not for profit organization, focused on the needs of children with emotional, behavioral, mental and/or developmental disabilities and their families. Our mission is to support and empower families so that they can improve the quality of their lives and help their children to achieve their full potential within the community. All services are offered at no cost to the families.

We offer self-help support groups with trained peer facilitators, educational presenters and free on-site childcare. We sponsor caregiver attendance at a variety of regional conferences and workshops. Trained peer advocates provide educational and multi-systemic advocacy, information, referral and peer support. A retreat takes place annually and is open to all caregivers.

Hourly, planned in-home/community respite care is provided by trained staff with background clearances.

Teen-driven support groups participate in education, recreation and community service activities.

Contract services with the Office of Mental Health and Bridges to Health Waiver for respite/skill building and family support are available.

Additional contract respite services are available to families that qualify through the Office of Persons with Developmental Disabilities.

Finger Lakes Parent Network (FLPN)

25 West Steuben Street
Bath, NY 14810

Finger Lakes Parent Network, Inc. is a parent-governed, not for profit organization, focused on the needs of children with emotional, behavioral, mental and/or developmental disabilities and their families. Our mission is to support and empower families so that they can improve the quality of their lives and help their children to achieve their full potential within the community. All services are offered at no cost to the families.

We offer self-help support groups with trained peer facilitators, educational presenters and free on-site childcare. We sponsor caregiver attendance at a variety of regional conferences and workshops. Trained peer advocates provide educational and multi-systemic advocacy, information, referral and peer support. A retreat takes place annually and is open to all caregivers.

Hourly, planned in-home/community respite care is provided by trained staff with background clearances.

Teen-driven support groups participate in education, recreation and community service activities.

Contract services with the Office of Mental Health and Bridges to Health Waiver for respite/skill building and family support are available.

Additional contract respite services are available to families that qualify through the Office of Persons with Developmental Disabilities.

YATES

Finger Lakes Parent Network (FLPN)

25 West Steuben Street
Bath, NY 14810

Finger Lakes Parent Network, Inc. is a parent-governed, not for profit organization, focused on the needs of children with emotional, behavioral, mental and/or developmental disabilities and their families. Our mission is to support and empower families so that they can improve the quality of their lives and help their children to achieve their full potential within the community. All services are offered at no cost to the families.

We offer self-help support groups with trained peer facilitators, educational presenters and free on-site childcare. We sponsor caregiver attendance at a variety of regional conferences and workshops. Trained peer advocates provide educational and multi-systemic advocacy, information, referral and peer support. A retreat takes place annually and is open to all caregivers.

Hourly, planned in-home/community respite care is provided by trained staff with background clearances.

Teen-driven support groups participate in education, recreation and community service activities.

Contract services with the Office of Mental Health and Bridges to Health Waiver for respite/skill building and family support are available.

Additional contract respite services are available to families that qualify through the Office of Persons with Developmental Disabilities.

A Parent-run not for profit organization offering parent support groups with free child care. Planned group respite care, using a sitter companion model is provided.

Advocacy, conferences, workshops and other educational events are offered.

YOUTH POWER!

YOUTH POWER! is the New York State network of young people who have been labeled and are seeking change. Together we have decided to speak up about our experiences because no one knows what it is like for us better than we do. Through peer-to-peer mentoring, we empower young people to be active citizens that are aware of government operations, their rights and the ability to use their voices to influence policies, practices, regulations and laws.

Chautauqua Tapestry represents the weaving together of effective, appropriate and individualized supports and services that are accessible and comprehensive to meet the needs of youth with emotional and behavioral challenges and their families. Chautauqua Tapestry will focus on youth up to age 21 by providing the opportunity for youth to sit on a leadership council. This is used to help the system plan, make decisions, plan trainings for youth, as well as event planning. There are 2 leadership councils that are still forming, these include one for youth ages 8-14 and another for youth ages 15-21.

The Finger Lakes Parent Network, Inc. has teen groups in nine counties in the Finger Lakes Region. We empower our teens to make choices, have fun, participate in community service activities, self advocate and interact with peers while being responsible, respectful and following rules made by the youth. Both the identified teens and their siblings are encouraged to participate in teen group. We allow pre-teens from the age of 12 to move from the childcare group to the teen group with the expectation that they are held to the same standard of behavior as the older teens.

YEL: Youth Empowerment and Leadership

YEL is a youth-led leadership program for adolescents and young adults, ages 13-22, living in Erie County who are affiliated with any Children’s System of Care agency. All participants are given opportunities to develop positive relationships, engage in meaningful activities, be trained in specified areas in order to reach their full leadership potential, and have a voice in making a difference in themselves, other youth, as well as their communities.

INSTRUCTIONS FOR USAGE OF CANS WEB TRAINING SITE:

To be trained in the use of CANS users can log onto the CANS Central Training site. Once the site comes up, the user must create a user profile the first time and this will be user profile from then on. To do so put in a user name containing the prefix nymht (nymht must always be prefix) and then adding onto it up to 10 more letters or numbers. A password must also be added. Then click remember me. This will remain your identification to log in each time you use the site. Once log in is complete the menu on the left side will guide navigation through the training. The entire training takes about 1 1/2-2 hours to complete. However users can log out and go back to the site to complete training. The training and test vignettes can also be saved once the user creates a profile as listed above. In addition the site has added a support link. If a user encounters difficulty in navigating the site, the user can send an e-mail to the support link for assistance. A list of trainers in the CANS who have completed the CANS Train the Trainer will be up and available on the site.
